## TWO NEW TEAMS IN SOCCER LEAGUE

Merion and Princeton Clubs Enter Second Division of Interclub Circuit

### SCHEDULE FOR SEASON

Two more teams have been entered in the second division of the Interclub Soccer League, making a total of seven fighting it out for the honors won by the University of Pennsylvania "Reserves" last season.

The newcomers are another eleven from the Merion Cricket Club, where the season opening is running high this soccer enthusiasm in running high this fall, and a combination from the Princeton Club, which is making its first entry in the soccer line this autumn.

Competition in this division was very close last season, with Coach Douglas Stewart's Red and Blue "Reserves" finally winning over the Moorestown eleven.

Merion's two entries and that of the Princeton Club, Moorestown is on the job again eager for revenge for last year's trouncing, while the Penn title holders are out to defend their laurels.

In addition, the Germantown Cricket Club and the Philadelphia Cricket Club are on deck once more.

The season opened last Saturday, with the Princeton Club drawing a bye, and though the games were played in a driving rain, some good soccer was shown.

The feature of the day was the victory of the Merion A team over the Moorestown B squad by a one-goal margin, though the winners were only able to put eight men in the field.

In the other contests staged Moorestown blanked the Philadelphia Cricket Club, 2 goals to 0, while Germantown trounced Penn by a 4-to-1 count.

## PERKASIE CLUB HONORED

Awarded Pennant of Montgomery County League at Annual Banquet

The Perkasia Club, baby member of the Montgomery County League, was officially proclaimed 1922 champion of that organization by Harold Pike, president of the league, at the annual banquet held last night at the Philadelphia Rifle Club at Taber.

Pike lauded Perkasia for its sportsmanship and the president of the club said he would be glad to have the same team back again, if possible.

Dick Smith, the winning manager, told of signing all his players prior to October the year previous, and announced that the fourteen he had then are still with him and will be a unit again next year.

## FRANKFORD OFFERS HOLMESBURG DATE

Decrease, However, That Game Must Be Played on Brown's Field—Answer Monday

### TACONY TO PLAY THE 'BURG'

The Frankford Football Association has officially notified the management of the Holmesburg Club that in order to play the Yellowjackets this year the game must be contested on Brown's Field. A date has been tendered Manager Walter Shissler, who was present at a conference of the Board of Directors of the Frankford Association last night.

Mr. Shissler will meet the Holmesburg powers that be next Monday night and the answer to the Yellowjackets will be forthcoming at that time. The teams have played for years, alternating at the others' grounds, Frankford has agreed, however, that if the Holmesburg eleven will play at Brown's Field in November that they will in all probability play at Holmesburg after Thanksgiving Day.

It was pointed out for Frankford to go to Holmesburg's grounds it meant a big financial loss. In the meantime the residents of Holmesburg will give their final answer to the decision reached in a mass-meeting last week, in which they refused to go to Frankford out of town.

Enter Tacony Eleven

In the meantime another football eleven, of major-league proportions, has come to life in the northeastern section. The team has been christened Tacony and already the fans in that section are considerably hot-up over the eleven.

The team only started last Saturday and gave Conshohocken a merry battle, holding the ironworkers to one fluky touchdown in the first half. Tacony is a combination of former players of reputation, although Manager Price is willing to admit that already he has encountered troubles by the sudden success of his combination.

He has a good bunch playing as a material and according to Coach Woods have already decided that success brings increased returns. They desire more financial remuneration than the guarantee which he has decided is impossible. The club will hold its final workout for Saturday's game this evening.

On that occasion Tacony will visit Charles, one of the new candidates, who hails from North Carolina State, played his first game on Saturday. He did not set the world on fire owing to lack of practice, but he has the goods and will soon be heard from when he gets in shape.

The Darby club has a wealth of good players and according to Coach Woods will render a good account of themselves in the big games that are soon to start for the county championship.

Delco is enjoying its best year and exhibited wonderful form in the first two games, trouncing Hobart in the opener 25 to 0 and giving Clearfield its first defeat in three years last Saturday.

Delco was slow in getting started in the Clearfield clash, but by means of two well executed forward passes, to Face and Shilladay, respectively, managed to lower the colors of the up-towners, the first time the trick has been turned by any eleven in three years.

## DELCO IS ENJOYING BIG GRID SEASON

Darby Eleven First Club to Turn Back Clearfield in Three Years

### PLAY MAGNOLIA SATURDAY

The Delco football eleven will move from its field at Sixth and Greenway streets, Darby, where it has been playing since the opening of the season to the Hillside ball park, where the Delaware County eleven will hold forth the remainder of the season.

Delco is enjoying its best year and exhibited wonderful form in the first two games, trouncing Hobart in the opener 25 to 0 and giving Clearfield its first defeat in three years last Saturday.

## MORRELL MILLS SIGNS MORE SOCCER PLAYERS

All Worthline and Jimmy Worsley Will Appear Against Autocar

The Morrell Mills soccer team has signed several additional stars, who will swing into action on Saturday when the newcomers meet the Autocar eleven.

The newcomers are Al "Skinny" Worthline, formerly of the Wofford-Shore and the United States Navy, at sea, and Jimmy Worsley, who has played with some of the fastest amateur teams in England.

Morrell opened the season in the First Division, West Philadelphia Section, of the Allied League last Saturday by traveling to Alden, Pa., and scoring a victory to the tune of six goals to one. Although minus the services of the two flyers "Imp" and "Hook," they had a comparatively easy time of it after they settled down to business.

The shooting of Eddie Lyons and T. Farley was the bright spot in the Morrell offense, although the rest of the forward line was not lacking when needed. Morrell has a few open dates for Sunday and would like to hear from Ascension, Liberians, West Phila. F. C. or any first-class team. Address W. F. Ryan, 6132 Cedar avenue.

## ALL-PHILLIES MAY GET BIG GRID GAMES AWAY

Seranton and Johnson City Want Local Eleven to Play There

For Sunday Kelly has secured the strong Mount Airy Club to tackle the Phila. All-Philadelphians at the fourth street and Chestnut streets. Coach Herman Bernstein put the squad through a hard workout last night at Vane and Morris streets. Twenty-seventh and Morris streets, and they are all in tiptop shape.

Several new men have been added who will play against Mount Airy. The All-Phil's schedule includes dates with Holmesburg on October 21 and at Colwyn on October 22 and at Philadelphia on October 23.

# NEW!

An original idea which is bound to popularize our new 1922-23

## HURLINGHAM Club Overcoat

A Cap to Match Every Hurlingham Club Coat With Our Compliments.

WE CAUGHT the inspiration from across the seas. For generations English gentlemen have been known as a sports-loving, out-of-doors nation. For all occasions, except formal affairs, they have worn and continue to wear caps.

The idea came to mind that our customers would appreciate a cap to match the Hurlingham Club Overcoats they buy from us, made of the self-same fabric as the overcoat, especially if we could arrange to present such a cap to our customers with our compliments and without charge, as an expression of our appreciation of their patronage.

By exercising great care in manufacture, by making a close study of the idea, we have worked out a plan whereby this is possible without adding a penny to the selling price of the new Hurlingham Club Overcoat, which will sell for, as in past seasons:

\$30 \$35 \$40 \$45 \$50 \$55 \$60 up to \$75

With this announcement, we therefore launch the new season, inviting the young men and men of Philadelphia to come to the William H. Wanamaker Store and to select from the most wonderful overcoat we have ever exclusively designed for our customers—the specifications of which follow:

**O**UR 1922-23 Hurlingham Club Overcoat has a front with all the lines of an English ulster—this English effect being a direct reproduction of what the English gentleman is wearing.

The back and back sleeves are combined in one piece of cloth balanced perfectly to fit the front portion and thus forms a graceful drape without any unsightly folds between the back and arms.

The coat is cut with ample fullness to give it a straight-hanging effect in the back, across which (at the waist line) is attached a belt which is buttoned at the side seams of the coat. This belt slightly tightens the waist in the back. Front belts on each side are made also to button at the side seam and extend to the front, giving the wearer an appearance of an all-around belt.

**T**HIS belt might be called "three in one," as the front belts are removed simply by unbuttoning them. The same can be done with the back belt and you have, as you prefer—

A COAT WITH AN ALL-AROUND BELT  
A COAT WITH A BELT ACROSS THE BACK ONLY  
A COAT WITHOUT ANY BELT

The inside of the Hurlingham Club Overcoat is beautifully finished without lining—not even the sleeves are lined, as the cut of the coat makes it comfortable and easy to slip on.

At the right side of the front belt you will find a pocket for small change or car tickets, which eliminates the uncomfortable necessity of constantly buttoning and unbuttoning the Hurlingham Club Overcoat when change, matches or tickets are needed.
